Peeps at Many Lands: Ancient Egypt

**Peeps at Many Lands: Ancient Egypt**  
**By James Baikie (1866-1931)**

Written primarily for children, James Baikie’s ‘peep’ at ancient Egypt is a really well done, historical account of the ways of that fascinating land so many years ago. It has stood well the test of time, being both well researched and well written. It’s a fun book for everyone, and families especially will enjoy listening together.
